

The Patrician Cup Golf Day is an annual event and provides an opportunity for the Patrician Brothers, parents, friends, staff and associates of the Colleges to meet socially for a fun day of golf.

Playing golf is being with nature. It makes one get up early in the morning while the sun isn't out yet and enjoy the game in the company of people from work or with friends. It is just one of the many forms of relaxation people can do these days and a great escape from the pressures of life.

The Patrician Cup Golf Day is an **Ambrose Competition**. Played in teams of four, Ambrose is a fun event, particularly for players starting out in the game or for corporate days like ours.

Only one stroke score is kept for the entire team, regardless of the number of members. The team selects a Captain on the first tee and they then decide on the order of play and mark the card.

After each player plays a shot from the tee, they proceed to their ball. The captain then decides on the best positioned ball and the other players retrieve their balls and proceed to this spot. This spot is then marked and each player drops their ball within one club length of the spot but no nearer the hole and plays the next shot. **The person whose shot is being taken does not play the next shot.** This procedure continues irrespective of whether the ball is on the fairway, in the rough or in a hazard, until the play reaches the green.

On the green, the best position is again decided upon and marked. Each player then places their ball within a card length of this spot and has one putt. **(All players putt)**

The card is marked as for a single stroke round and the lowest score wins the competition.

The Captain normally signs as marker, while another team member verifies the score by signing as the player.

We look forward to seeing you on the day, so please book your team NOW.
